

Thank you for considering me to be the Lake Director; this would be my second term if elected. Over the past two years, our MLS tour was reestablished after a long Covid hiatus and recently our tours incorporated with Sierra Nevada Realtors which has been a great step in bringing more association involvement to the Lake. I have been a licensed Nevada Realtor since 2012 and have held my California license since 1983. I am the Broker for Sierra Sotheby's International Realty at our Zephyr Cove Office.
