

For nearly two decades, I, Jillian Heuer, have dedicated myself to the mortgage industry, with the last 10 years cemented within the PrimeLending family as a Senior Mortgage Loan Officer. Every day, I'm invigorated by the knowledge that I help individuals navigate the intricate world of home financing, ensuring they comprehend the process and products to secure the ideal loan.

Being a top producer for six consecutive years at PrimeLending isn't just a title for me; it's a testament to my passion for guiding clients towards their dream of homeownership. As a 4th generation Native Nevadan, my roots run deep in Northern Nevada. Now, with the joy of raising my two sons here, we proudly carry the torch as the 5th generation.

Away from the charts and figures, I'm a family enthusiast, ardently supporting my sons in their sporting endeavors. The exhilaration of a San Francisco Giants game never wanes, and I make it a point to witness many during the season. My love for Northern Nevada extends to giving back. I've channeled my philanthropic spirit into active membership with the Junior League of Reno and took up leadership roles, including a two-year stint as treasurer for the Women's Council of Realtors. These experiences underscore my unwavering commitment to both professional growth and community enrichment.

With a heart set on making a difference, coupled with my vast industry experience, I remain dedicated to shaping the mortgage landscape and aiding my clients, ensuring many more triumphant years ahead.
