

With an impressive span of over 47 years in the real estate realm, I am Rosemary, deeply immersed in both Nevada and California's property landscapes. My association with the Reno/Sparks Association of Realtors and Sierra Nevada Realtors is testament to my dedication; having actively served on the Professional Standards, Grievance, Budget & Finance, and Government Affairs Committees.

Community engagement is a cornerstone of my ethos. Over the years, I've proudly been a member of the Sparks Rotary Club, graced the Nevada Opera Chorus, and contributed to various civic organizations.

Life has been a beautiful journey. My husband and I have called Sparks, NV, our home since 2004, having previously resided in the scenic Bishop, CA, and the bustling heart of Los Angeles, CA. Our family is beautifully rounded off with our grown son.

My academic prowess took root at UCLA, where I acquired a BA. 1993 was a hallmark year as I took on the mantle of President of the Greater Los Angeles Chapter of the Institute of Real Estate Management. My professional accolades are further highlighted by designations as a Certified Property Manager and Certified Shopping Center Manager.
