

Jena Lanini Bio:

I currently serve as one of the 4 2024 SNR Washoe Directors. Since 2021, I've been an active member of the SNR Government Affairs Committee and the SNR Political Action Committee, where I currently hold the position of Vice Chair. In 2024, I joined the NVR Legislative Committee and NVR RIPAC, further deepening my commitment to our profession. Next year, I'm excited to take on the role of RPAC Chair for WCR Northern Nevada.

I grew up in Lake Tahoe but have called Reno home for the last 12 years. After earning my business degree from San Francisco State University in 2010, I moved to Reno, where I eventually found my true passion in real estate, especially after achieving sobriety. The success and opportunities in this field have been incredibly rewarding, but it's my involvement with SNR and NVR that has truly sparked my sense of purpose. I've come to see the significant impact that REALTORS® can have on our local communities.

I'm deeply committed to helping others better themselves, particularly through recovery and fitness. My passion is in building equity within the community, providing resources to help people get sober and, just as importantly, to stay sober.
