

Lisa Marx**Broker/Owner | Tahoe Dream Properties, LLC**

Hello, I'm Lisa Marx, and I have a passion for real estate. Real estate isn't just a career for me—it's a joy. I genuinely enjoy every property I show, no matter the price, and I find something special in every home. As a recent client put it, "you like everything," and she's absolutely right. To me, every home is a place where families create lasting memories and grow together.

I'm fortunate to work at Lake Tahoe, which I believe is the most stunning place on earth, in the greatest state—Nevada. My connection to Tahoe goes way back to 1968 when I first glimpsed its beauty cruising in our family's Chrysler New Yorker, affectionately known as "THE TANK." That first sight left an indelible mark on me, and I've been captivated ever since.

With a career that began in 2002 as a loan officer, I transitioned to real estate after over a decade in the lending world. This shift has been incredibly rewarding, and I'm thrilled to have recently founded my own company, Tahoe Dream Properties, LLC, and earned my broker's license.

My educational background includes degrees in Legal Studies and Geoscience, and I'm also an instrument-rated private pilot.

Life is an adventure, and I'm excited to share it with you. I can be your co-pilot.
