

## Mandy Hatcher Bio

I'm Mandy Hatcher, and I'm excited to be considered for the position of Director representing my fellow Sierra Nevada Realtors. With over three and a half years of dedicated experience in the real estate industry, I've had the privilege of helping both sellers and buyers navigate the complexities of the market with professionalism and integrity. My commitment to the highest ethical standards and a diligent approach to every transaction have earned me the trust and respect of my clients and colleagues alike.

Having been born and raised in the Reno area, and having lived in Spanish Springs, Fernley, Winnemucca, and now Fallon, I have a deep connection to our Northern Nevada communities. This local insight, combined with my passion for real estate, drives me to ensure that every client I work with feels supported and empowered throughout their real estate journey. I'm proud of the lasting relationships I've built in this industry and am always here for my clients long after the transaction is completed.

As a candidate for the Director position, I bring a comprehensive understanding of the diverse needs of our members. I specialize in residential listings, residential sales, VA loans, first-time homebuyers, investment properties, relocation, farm and ranch properties, and land. My involvement in various aspects of real estate allows me to advocate effectively for our members, ensuring that our voices are heard, and our interests represented.

If given the opportunity to serve as Director, I will be dedicated to promoting the growth and success of our association, enhancing professional development opportunities, and fostering a strong sense of community among our members. I believe in the power of collaboration and will work tirelessly to ensure that our association continues to thrive in an ever-changing industry.
