

Travis Mees Bio

As a sales representative at Core Title, I've had the privilege of working in an industry that I'm truly passionate about. My role in the title and escrow field allows me to help clients navigate their real estate transactions with confidence, ensuring they feel supported every step of the way. My dedication to this profession is driven by a deep commitment to excellence and a desire to contribute positively to our community.

Outside of work, I'm a proud family man. My wife and I are raising two energetic kids who keep us busy with their various sports activities. Whether I'm cheering them on from the sidelines or spending quality time with them outdoors, family always comes first. Golfing, BBQing with friends, camping, and wake surfing are just a few of the activities that help me unwind and appreciate life's simple pleasures.

Running for the position of Affiliate Director at Sierra Nevada REALTORS® (SNR) is a natural extension of my professional journey. I believe that the experiences I've gained in the title industry, coupled with my passion for fostering strong relationships, position me well to advocate for our affiliate members. I'm committed to ensuring that our voices are heard and that we continue to play a critical role in shaping the future of our association.

I'm excited about the opportunity to bring fresh perspectives to the SNR Board and to work alongside others who share my commitment to collaboration and innovation. I look forward to serving our community and contributing to the ongoing success of Sierra Nevada REALTORS®
